

AMETHYST

PROMOTIONAL ISLAND DISPLAY

STAINLESS STEEL BUMPER | MULTIPLEXABLE

R290 | DARK EXTERIOR | DARK INTERIOR

ADJUSTABLE DISPLAY

The Amethyst is a plug-in / self-contained promotional island display fridge. Available in M1, M2 & H ratings, the Amethyst is suitable for displaying produce, cakes, berries, meat, dips and more! The Amethyst contains R290, a natural refrigerant that boasts higher energy efficiency and has very low global warming potential. The Amethyst can be multiplexed from either side, extending the applications that it can be used for.
